

The Oregon Executive Development Institute

Presents

OEDI SESSION XXX
March 11-16, 2018

- ❖ The Annual Session is a 5-day, intensive leadership training featuring nationally renowned instructors, networking events and first-class accommodations. This program emphasizes scenario-based, hands-on executive leadership through relationship building and interpersonal skills development to enhance personal and organizational performance. An underlying theme of servant leadership accentuates a key component of this training. ***The Annual Session focuses on developing the individual as a leader. Note, if you cannot stay on-site for the entire 5 days of the session, please do not apply.***
- ❖ Topical training such as budgeting, negotiating and responding to personnel issues are offered at other advanced training events throughout the year.
- ❖ **Who Should Apply?** – Current and future executives/leaders from public safety, military, private sector with a nexus to public safety and Higher Ed.
- ❖ **Graduate and Undergraduate level college credits available to interested attendees**

OEDI SESSION XXX will be held **Kah-Nee-Ta Resort & Training Center** in Warm Springs, Oregon, a premier training site offering special accommodations for OEDI's unique program. The rural setting and first class facilities allow participants to concentrate on the educational experience and networking opportunities fundamental to relationship building, a cornerstone to the session.

OEDI Session XXX is presented in partnership with Oregon Department of Public Safety Standards and Training, Federal Bureau of Investigation, Program Management Academy, Western Community Policing Institute and Corban University
